

USB Charger C+C 65W

Product Description

The USB Charger C+C 65W delivers fast, efficient power for your everyday devices from laptops to smartphones. Equipped with a LED indicator and dual USB-C ports, it supports simultaneous charging of up to 45W and 20W, so you can power up without slowing down. A built-in smart power management chip automatically detects your device's needs, ensuring optimal speed while protecting against overcharging and overheating. Designed for convenience and durability, the charger also comes with a 3-year warranty against manufacturing defects (T&Cs apply).

Electrical Specifications

USB Charging Sockets:	2 x Type C
Single-port charging:	up to 65W
Double-port charging:	45W + 20W shared output
AC Voltage Range:	100 - 240V AC 50/60Hz
AC Input Current:	Maximum 1500mA at full load Less than 0.5mA at idle
Power Consumption:	Maximum 80 watt
USB Output Voltage:	5V to 21V
LED Indicator:	Green colour LED indicates power on
Standby Power Consumption:	Less than 0.7 watt
Over Current Protection:	Yes
Over Temperature Protection:	Yes
Operating Temperature Range:	0° to 35° Celsius
